Subject: Missing Person Investigation – Nicholas Garza

The investigation continued today into the disappearance of Nicholas Garza. Investigators have interviewed the two persons reported to be on the Middlebury College campus the day before Nicholas disappeared. No new information was gathered that might lead to the whereabouts of Nicholas.

While the air temperature was warmer today, there has been minimal change in the overall snow/ice cover on campus. Snow melt is being monitored on a daily basis. Search operations continue to be on hold until these conditions change so as to allow a thorough search.
